HOW TO MARK

RUNNING SCORE

Each time a team scores, write the scorer's number in that team's box beside the new total. Leave skipped totals empty. A score is 1, 2 or 3 points (so is a free throw). And-one: write the basket, then the free throw.

END OF EACH QUARTER

Draw a line under each team's last number. Write each team's running total in its Q1, Q2, Q3 or Q4 box under the roster, the total after overtime in OT, and the final score in Final.

PLAYERS

Tick Here for everyone who plays. Fill a circle for each free throw made; slash one for each miss. Slash a foul box for each personal foul and a T box for each technical.

TEAM FOULS

Slash one box in that quarter's row for each team foul.

FLAGRANT FOULS

A flagrant foul is also a personal foul: slash a foul box for it as usual. Then write it in Notes on page 1: the team, the player's number, the quarter and what happened.

THIS PAGE

Use it only if a team passes 100 points or a player takes more than 10 free throws. Keep marking exactly as on page 1: the running score carries on from 101. Write the final score on page 1.
